

REPORT BY THE LOCAL GOVERNMENT AND PUBLIC SERVICES COMMITTEE

The Business Improvement Districts (Wales) Regulations 2005

The Committee considered *The Business Improvement Districts (Wales) Regulations 2005* at its meeting on 9 February 2005.

In discussion the following issues were raised:

- Dai Lloyd expressed concern that the SI and clause 1 carried the wrong date of 2004 instead of 2005.
- Mike German requested clarification on the definition of 'voter' and 'payer' and referred to Paragraph 8.2 on the domestic ratepayers list held by authorities and their entitlement to vote.

In response the following points were made:

- David Fletcher explained that the regulations referred to individual hereditaments.

The Committee accepted the regulations, subject to the date on the front and in Clause 1 being amended.
