Dear colleague,

### Consultation - Proposal for a Measure relating to recycling

I would like to inform you that, following my success in a legislation ballot held in the Assembly, I am currently running a consultation exercise on my proposal for a Measure relating to recycling.

Responses to this consultation will inform the final proposals for the proposed Measure, which will be introduced for consideration by the Assembly in November.

A copy of the consultation document is provided as part of this email and can also be accessed on the Assembly's website at the following link:
