1. Access to information

Do you know how to find information about the National Assembly for Wales?

Have you used our website (www.assemblywales.org)? What was it like? What is easy to use? How could it be improved?

Should we produce information in languages other than English and Welsh?

Do you know how to contact your Assembly Member?

2. Access to employment opportunities

Do you regularly see our jobs advertised?

Where would you like to see them advertised?

What would encourage you to apply for a job with us?

What would discourage you from applying?

3. Access to proceedings

Are you aware that you can watch Assembly meetings? Have you done this? What did you think?

Are you aware that Assembly meetings can be watched via the internet? Do you know where this is?

Do you know about the Assembly's petitioning system, where members of the public can ask the Assembly to consider a certain issue?

4. Access to our buildings

Have you ever visited the Senedd in Cardiff Bay? You can take a tour of the building, watch proceedings or just come in to enjoy the surroundings and/or visit the café.

If you have visited the Senedd, what did you think? What could be improved?

Other Issues

Is there anything else that you feel should be brought to our attention?

Future Involvement
