Dear Colleague

Consultation - Proposals for Healthy Eating in Schools Measure

Enclosed is a consultation document which invites you to comment on my proposal for a Healthy Eating in Schools Measure before it is presented to the Assembly. I was lucky enough to win the first ballot held in the Assembly which allows Assembly Members to introduce legislation. Responses to the consultation will inform the final proposals for the Measure which will be introduced for consideration by the Assembly in March 2008. In preparing your submission it would be helpful if you could address the questions that are found in section 2 of the consultation document.

If you wish to submit a response please send an electronic copy of your submission to legislationoffice@wales.gsi.gov.uk and entitle the e-mail *Consultation Healthy Eating Measure*. If you would prefer to send your submission in hard copy, please send it to Ruth Hatton, Deputy Committee Clerk, Legislation Office, National Assembly for Wales, Cardiff Bay CF99 1NA.

The closing date for submissions is Friday 29 February 2008. It will not be possible to take into account responses received after this date.

When preparing your submission please keep the following in mind:

- Your response should be as succinct as possible. Please reference your response using the title applied above.
- The National Assembly normally makes responses to public consultation available for public scrutiny and they may also be seen and discussed at future Committee meetings. **If you do not want your response or name published it is important that you specify this at the end of your submission.**
- Please indicate whether you are responding on behalf of an organisation, or as an individual.
- Please indicate whether or not you would be prepared to give oral evidence to a future Committee.
