Dear Sirs,

Have Your Say Poster – Lawmaking Powers relative to the Welsh Language

The Town Council wishes to respond to the above poster which posed the following questions:

Should the National Assembly for Wales be able to make laws:

1. On the promotion and use of the Welsh Language?
2. On which services the public should be able to receive bilingually?
3. On the freedom of persons to use the Welsh language with each other?

The Town Council unanimously resolved that it is not in favour of the National Assembly for Wales having lawmaking powers with regard to any of the above.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'D. Isaac'.
