Subject: Call for Evidence

Dear Sir/Madam

With reference to your letter "Call for Evidence" and having discussed it at the Gelligaer Community Council Meeting on the 17th December 2008, I am writing on behalf of the members with the following comments:

- Assembly Members should not be given allowances towards a second home, the Assembly should provide suitable accommodation for the duration of their term of office.
- If Assembly Members are given allowances towards a second home then at the end of their term of office they would be required to re-sell their second home and reimburse the Assembly the capital gains.

Regards
