## School Funding Follow-up report

### Questions to consider in preparing evidence

1. **The funding process** - do you feel you understand the processes involved in how schools are funded? **No**

- a. What information would you find useful to help you understand the process – and why? *Having the monthly statements in the*
- b. If you have any views on the legislative framework governing the funding of schools in Wales, please include in your response. *same format as the*

2. **Access to information including the provision of information on the web** - do you feel you have ready access to the information you would like on how your school, and other schools, are funded? *Projections same heading*

- a. What information would you like – and in what form – and why? *How much money is allocated per child depending on age for staffing!*
- b. The Assembly Government is developing a school funding section on the main Assembly Government website, including a dedicated e-mail address for enquiries, to provide accessible information on school funding. *would be really useful*
- i. What information would you like to see on the dedicated area of the website?
- ii. How would you like to be kept up-to-date with current information? *monthly emails?*

3. **Additional funding** - where additional funding is made available, perhaps through a grant from the Assembly Government e.g. money for the free breakfast initiative or RAISE funding; do you receive useful information at the appropriate time?

- a. How could the flow of information be improved?

\* 4. **Investment in school buildings** - do you think information on school building investment at the local level is clear? *Primary Review helped, but information needs*

- a. How could information on the source and amount of funding on capital programmes (specifically buildings) be clearer? *to be kept up to date.*

5. **School budget fora** – do you think these are operating effectively? *ie. my school projection looked*

- a. What outcomes would you like to see from the Welsh Assembly Government review of school budget fora? *as though our school had surplus places – which is not accurate we are almost full + need an extension!! Ruabon is a growth area but school size needs looking at!!*
