Dear Mr Melding

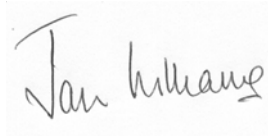

PUBLIC CONSULTATION – INVITATION TO RESPOND. PROPOSED PROVISION OF MENTAL HEALTH SERVICES LCO COMMITTEE.

Thank you for the opportunity to comment on the above proposals.

As you will know, NLI AH supports NHS Wales in delivering the health policy agenda through a specific focus on training and development. From this perspective the enactment of the proposed provisions would need a major additional investment in both capacity and capability – building across mental health services in Wales.

In September 2007, the Centre for Mental Health Services Development in Wales became part of NLI AH, and we will be pleased to support the development needs identified, subject to funding being available.

Yours sincerely

JAN WILLIAMS
Chief Executive
