200-

Regarding the deposited documents attention is drawn to the following notes :

1 The Statement of Reasons does not form part of the draft Order and is provided for information purposes only.

2 The schedule to the draft Order complies with the form of schedule published in Form 3 in the Compulsory Purchase of Land (Prescribed Forms) (National Assembly for Wales) Regulations 2004. However this prescribed form, as regards special category land, refers only to Sections 17(2), 18 or 19 of the Acquisition of Land Act 1981 and makes no reference to similar provisions relating to new rights over special category land contained in Section 28 of and Schedule 3 to the same Act. This is considered to be a deficiency in the prescribed form and, to make it clear to any person reading the Order, the information in the short table at the foot of the Order has been amended to refer to the correct provisions of the Act.
