CF99 1NA.

Dear *Sarah*,

Consultation: Proposed Welsh Red Meat Industry LCO Committee

Thank you for giving the Welsh Association of Chief Police Officers (WACPO) the opportunity to respond to the above Consultation. Whilst WACPO supports the proposed LCO in general, we do not have anything to contribute to this particular LCO at this time.

Many thanks for giving us the opportunity to take part in this process.

Yours sincerely,

Superintendent Darren Phillips
